Application for Seasonal Staff

Camp and Retreat Ministries

*The Upper New York Annual Conference
 of The United Methodist Church*

The Upper New York Annual Conference of The United Methodist Church offers numerous programs for camp and retreat ministries at our 5 centers: Aldersgate, Asbury, Casowasco, Sky Lake, and Skye Farm. We strive to build up the Body of Christ by the faith experience that can be gained through a camping or retreat program. Summer staff help to make this extensive and vital ministry possible!

Our programs specifically seek to provide a faith experience for campers, volunteers, and staff. Staff persons, both paid employees and volunteers, are expected to contribute to this effort by being willing to share their own personal faith with campers, volunteers, and other staff. Staff serve in a variety of areas, including the office, kitchen, maintenance, and program. Other staff serve as counselors and provide direct custodial care for children. Please refer to each site's list of positions for a complete listing. This application serves as a basic information form. Please complete this form in its entirety.

Persons considered for employment and volunteer positions must submit to a clearance process for workers with children, youth, and disabled adults. This record keeping and documentation is required by the New York State Health Department.
