

# Sky Lake Bead Program 2018

FAMILY EDITION

Each camper and staff member participating in camp made (or was given) a wooden nametag that they were to wear at all times (except while in the water or sleeping...) These were made on the first day of camp.

Beads were awarded daily by resource persons during meals, nightly by counselors in family groups, and at our Hemlock Community Gathering on Thursday evening. Campers had to be wearing their nametags in order to accept a bead.

The Bead Program is designed to help build self-esteem, a positive self-image, and to provide campers with artifacts to talk about at home. **This is not a contest.** Beads are not used as a "discipline" method (withheld or given), but as **true recognition for accomplishments, finishing projects, and true "Sky Lake Spirit."**

Campers had the opportunity to earn beads in the following areas:

<b>Awarded at a Gathering</b>		<b>These beads can be requested along with the others but will be awarded at a meal or a community gathering by a Lead Team Member.</b>	<b>Awarded Once a Summer</b>
